

Grandmas fun set Coin Purse

Hoop your stabilizer.

I used 2.5 oz cutaway

run your placement stitches

on the holder #1. Lay down the fabric on the front and back side and run the tack down stitches the trim front and back then run the rest of the design.

Repeat for holder #2. Trim away the stabilizer and set the pieces aside. Hoop the stabilizer for the flap and run the placement stitches for the front fabric.]

Lay down the fabric then run the placement stitches for the accent fabric. Run the tack down stitches then trim the accent fabric. Run the satin stitches on your accent fabric then remove from machine and lay down you back fabric and run the tack down stitches.

Trim front and bac then lay down holder # 1

then holder #2. I used some tape to keep them in place also you are placing them on the back side of the hoop Run the tack down stitches for the holders and the satin stitches. Set the flap aside

Hoop your stabilizer and run the front, back sides and bottom the same way you did the flaps.

To assemble stitch the narrow sides to the front and back and the narrow bottom to the front and back. You will be forming a narrow box.

Then attach the flap to the back at the top attach a piece of velcro to the box and flap to hold closed.

The Drivers license and credit card are run similar to the flap front. Placing your back fabric down after the design on front has run.

I also added a second piece of stabilizer to the back with my fabric for added stiffness.
