

Christmas Tree Greeter

Hoop your stabilizer, and run the placement stitches. Remove from machine and lay down the top fabric return to the machine and run the tack down stitches and the center design. Once the center design is done stitching remove from machine and lay down the back fabric and run the tack down stitches. Remove from machine and trim the front and back fabric. Return to the machine and finish with the satin stitches.

Make one for each letter you need. Attach through the top and bottom holes with ribbon.

One idea on how to attach
