

Country Kitchen Sets

Silverware holder

Hoop your stabilizer, I used 3 oz cut away (Run the front first) run the placement stitches then lay down your front fabric.

Run the tack down stitches and then the center design.

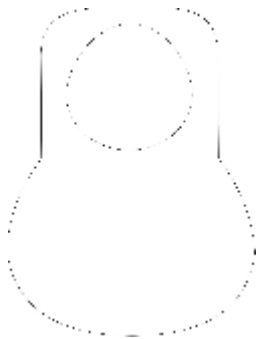

Once the center design is finished stitching trim the excess fabric from the front and run the zigzag stitches and satin stitches.

Remove from hoop and carefully trim

Hoop the stabilizer for the back

run the placement stitches then lay down your front and back fabric. Run your tack down

stitches. Then trim the extra fabric now lay the top down and tape in place to hold till done stitching finish the holder. Carefully remove extra backing.

Bottle Aprons & Door Hanger:

Hoop the stabilizer, Run your placement stitches then lay down the front fabric. Run your center design

Finish running the center design then lay down the back fabric and run the tack down stitches.

Trim both front and back extra fabric.

Finish the design and trim the stabilizer away.

Hot pad and place mat Towel topper:

Hot pad: Hoop the stabilizer, run the corners first run the placement stitches then lay down your top

fabric Run the center design, (Some of the corners do not have center designs so add your batting and back fabric when you lay down the top fabric.)

Once the center design is done lay down a layer of bonded batting and your back fabric.

Run the tack down stitches then trim both front and back to the end of the design.

Side panels are run the same way.

Center: Hoop your stabilizer and run the placement stitches. Lay down your front, Run the center design then lay down batting and back fabric and run the tack down stitches then trim extra fabric run to the end of the design. To assemble the hot pad stitch together using a zigzag stitch on your regular sewing machine. the place mat is run the same way you can skip the batting if you want on this one.

Towel Topper: Hoop the stabilizer and run the placement stitches lay down the top fabric and run the center design.

Lay down the back fabric and run the tack down stitches. trim front and back fabric and then run the satin stitches.

Coaster: Hoop your stabilizer and run placement stitches lay down the front fabric and run tack down stitches and center designs. Lay down the back fabric and the run the tack down stitches. Trim fabric front and back then run the rest of the design.

Wine coaster: run the top pieces first. Hoop fabric and lay down the top fabric of the top pieces run tack down stitches then trim fabric run to the end of the design

Hoop your stabilizer for the bottom run the placement stitches lay down top and bottom fabric and run the tack down stitches trim the fabric and then lay down the top pieces and run the rest of the design.
