Front and Back:

Hoop the stabilizer, I use 2.5oz cut a way
Run the placement stitches then lay down
the top fabric. Run the tack down stitches
then the center design. Lay down the back
fabric and run the tack down stitches.

Trim excess fabric then run to the end of the
design.

Sides and bottom:

Hoop the stabilizer, run the placement stitches
Lay down the top and bottom fabric run the
tack down stitches and the center design

Trim excess fabric and run to the end of the design
You need:

1 front, 1 back, 2 sides and one bottom

Assemble as shown. Sew on a regular
sewing machine using zigzag stitches.

once your bag looks like the example
you may need to hand stitch the sides to finish
bag.
