

Little Girls Hand bag

Purse Pockets.

Hoop your stabilizer

I used a 2.5 oz cut away

run the placement stitches

first remove hoop from machine

and lay down your front fabric.

Run the tack down stitches and

the center designs. Then remove

hoop from machine and lay down the

back fabric. Run the tack down stitches

then remove hoop from machine and

trim the front and back fabric.

Return the hoop to the machine and

finish running.

Hoop your stabilizer and run your placement

stitches, lay down your front and back fabric

run the tack down stitches, trim front and back

then tape down the pockets as shown.

Run the rest of the design.

For the rest of the panels hoop the stabilizer

run placement stitches then lay down your

front and back fabric run the tack down stitches

trim front and back then finish.

Once panels are all stitched assemble either

hand stitching or with your sewing machine
